

Dhruv Patel

London, Ontario | 437-599-0709 | dhruv792000patel@gmail.com | [LinkedIn](#)

Core Skills

- Programming & Frameworks:** Java, JavaScript, C, C#, PHP, Kotlin, Swift, React, HTML, CSS
- Backend & Architecture:** CodeIgniter, Firebase, RESTful APIs, Microservices, MVVM
- Databases:** MySQL, SQLite, Firebase Firestore (NoSQL)
- Cloud & Tools:** Git, JIRA, Android Studio, Xcode, Firebase Authentication
- Software Development:** Agile, Scrum, SDLC, Unit Testing, Test-Driven Development
- Strengths:** Analytical Thinking, Problem Solving, Team Collaboration, Incident Resolution

Work Experience

Web Developer Intern

Jan 2024 - Apr 2024

Universal Technolabs | India

- Improved backend API functionality using CodeIgniter, enhancing system performance.
- Resolved code issues and participated in code reviews to enhance code quality.
- Collaborated in an Agile team, adhering to industry-standard coding practices.

Projects

Employee Application | Android

- Created a **short-video sharing app** with editing features and strong performance optimization.
- Applied Agile practices, delivering iterative improvements based on feedback.

[WeatherCast](#) | iOS

- Implemented a **real-time weather app** with live updates and visual forecasts.
- Optimized for performance, with a user-friendly navigation experience.

[MemoRise](#) | React Native

- Developed a **cross-platform note-taking app** with online/offline synchronization
- Focused on data security and accessibility, ensuring a smooth user experience.

[ToDoList](#) | iOS

- Built a functional **task management app** with secure Firebase authentication and cloud sync.
- Designed UI with animations, improved user engagement, and implemented MVVM architecture.
- Conducted **unit testing** and ensured scalability for future features.

Education

Fanshawe College – London, ON

Postgraduate Certificate, Mobile Application Development (GPA:4.06)

Jan 2023 – Apr 2024

Gujarat University – Ahmedabad, India

Bachelor of Computer Applications (GPA: 8.12)

Aug 2018 – May 2021

Awards

Distinction

Jan 2022

Gujarat University

- Achieved a distinction award in the Bachelor of Computer Application program at Gujarat University, recognizing outstanding academic performance and excellence in computer science fundamentals.

President's Honour Roll

Apr 2024

Fanshawe College

- Earned a place on the President's Honour Roll at Fanshawe College for the Mobile Application Development postgraduate certificate, demonstrating exceptional academic achievement and proficiency in mobile app development technologies.

Interests

Exploring new Technologies, Space and Science
